Dear Ms. Draper

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Your report indicates the use of calendar year-to-date figures when aggregating and reporting receipts and disbursements. Please be reminded that candidate committees are required to aggregate and report their receipts and disbursements on an election-cycle basis rather than on a calendar-year basis. Please amend your report to show election cycle-to-date figures for all aggregate amounts. (2 U.S.C. §434(b))

-For future reports please be advised that contributions from Political Action Committees and Political Committees should be itemized on a separate Schedule A. Contributions from Political Party Committees should be itemized on line 11(b). Contributions from all other political committees (i.e. PAC's) should be itemized on line 11(c). (2 U.S.C. §434)

A response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days of the date of this letter. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
